Mr. Gary Yourman  
Greater Trenton Dart League  
[REDACTED]

Dear Greater Trenton Dart League,

Thank you for your support of Make-A-Wish® New Jersey through the 8<sup>th</sup> Annual Darts for Dreams Dart-a-thon. Your efforts have totaled \$28,138.00 and have funded Kelly's wish to meet the cast of *The Bold & The Beautiful*, Nohely's wish to go on a Caribbean Cruise and Ka'Nagah's wish to go to Disney World! It is my honor to tell you a little more about their wishes:

*Kelly is a 17-year-old girl, who was diagnosed with a rare heart disease. She enjoys playing the guitar, soccer, spending time with her nephew, and watching her favorite show, The Bold & The Beautiful. When Make-A-Wish volunteers visited with Kelly and her family, they asked her the magical question, "If you could have any wish, what would it be?"*

*She wished to meet the cast members of The Bold & The Beautiful and see all the behind-the-scenes moments because she is a loyal fan, rarely missing the show. This summer, Kelly and her family will be whisked away to California to see her favorite television show live and to meet her favorite cast members.*

*Nohely is a 14-year-old girl, who was diagnosed with lupus and life-threatening complications. Similar to most girls her age, she loves Justin Bieber, the television show Pretty Little Liars, and dogs. When volunteers meet Nohely and her family, they asked the magical question, where Nohely wished to go on a Caribbean Cruise because it's something she has never been able to do.*

*This summer, Nohely will be setting sail from Florida to the beautiful Caribbean! While on board, she will have the chance to work alongside the cruise's Chef, be treated like a VIP, play games with her family, relax in the sun, and so much more!*

*Ka'Nagah is a 6-year-old girl, who was diagnosed with Sickle Cell Anemia. She loves the color pink, playing dress-up with her cousins, and the television show Dora the Explorer. When volunteers visited with Ka'Nagah and her family, she wished to go to Disney World to meet Dora the Explorer!*

*This summer, Ka'Nagah and her family will be whisked away to Orlando, Florida where they will stay at Give Kids the World Village – a special area near Disney and Universal Studios, reserved*

specifically for wish children, like Ka'Nagah. While staying here, our wish children are treated like VIPS to such amenities like 24-hour ice cream service, character meet-and-greets, having Disney characters read bedtime stories, as well as being able to bump to the front of every line at all of the Disney parks with a special button and their park hopper passes! Our wish children also have the opportunity to visit Universal Studios and Sea World, where their VIP treatment continues!

Your generous support is giving Kelly, Nohley, Ka'Nagah the opportunity to get away with their families and create memories they will cherish forever.

Once again, thank you for helping us restore hope, strength and joy to the lives of wish children and for *sharing the power of a wish*®!

With warm wishes,

*Kristina Maglietta*

Kristina Maglietta  
Director of External Events

*Thank you so much for your continued support & for making these wishes come true! I look forward to working with you again next year!*
