Make-A-Wish®  
NEW JERSEY

Presented by the Greater Trenton Dart League  
and taking place at Cook Athletic Association

I want to thank everyone who has participated in Darts for Dreams 18 in any way. As you all know, it takes a variety of people in different roles to make this event happen.

We've seen that over the years, as the Darts for Dreams program has raised over \$635,000 since we started in 2006 and have sponsored over sixty wishes for children facing critical illnesses.

Here are just some of the things people have done to help:

- Sponsored the event financially
- Sponsored the event with event support
- Sponsored the event with an in-kind donation
- Solicited donations from others
- Made a financial donation
- Helped sell raffle tickets
- Bought raffle tickets
- Spread the word about the event to get others involved
- Volunteered setting up, breaking down and getting things ready
- Volunteered that day to make sure things go smooth
- Attended the event

For those of you in any of those categories, or in another category I didn't think of –  
**THANK YOU!!!!!!** This event doesn't succeed without you!

On the following pages, you'll see a list of sponsors for this year's event. When shopping or looking for a service, consider them. They share your desire to support Make-A-Wish® New Jersey. Additionally, when you visit a store or a restaurant with a gift card you won, thank them for helping and participating. Let them know they made a difference.

Please enjoy your day today and help us raise a bunch of money to help the kids.

**THANK YOU ALL!!!**

This event succeeds because of the many sponsors who participate in so many ways. Financial sponsorship goes right to the final total, but every item or gift card helps the total through ticket purchases, while other support, like shirts, trophies and give-aways help to minimize expenses and enhance our player experience. The bottom line – every sponsor is important and your support is appreciated.

Thank you to every sponsor who chooses to help MAWNJ through the Darts for Dreams program. Your continued support is what helps us help the kids!

### Closing Remarks

This year, because the event is taking place on World Wish Day, we will unfortunately not have a Make-A-Wish® New Jersey representative on site. They will all be at the Walk for Wishes event for the day. That also means that we will not have a Wish family to tell us their story.

Over the years, this part of the program was always a way for you, our supporters to hear the stories from those that have benefited from your participation. We heard families share their situation, what their daily life was like, the medical and personal battles they faced as they, like any other parent just wants the best for their child. We always felt this was a way for you to connect to the MAWNJ mission. We didn't want you to feel that you were just donating to another cause, while worthwhile, without knowing what it meant.

This year, like year's past, we have also setup a tour of the MAWNJ facility, called the Samuel and Josephine Plumeri Wishing Place, but referred to by most as "The Castle", located in Monroe Township, NJ. The tour will be on Wednesday, June 14<sup>th</sup> at 7 PM. If you have not been to the castle, we urge you to mark that evening in your calendar. It's another way to 'connect the dots' and see what MAWNJ is all about.

If you are interested in going, please RSVP by June 7<sup>th</sup> to me at [events@trentondarts.com](mailto:events@trentondarts.com), and let me know how many people will be joining us for the tour. We aren't limited but MAWNJ needs to be ready for us. If you know people that have gone to the castle in the past, ask them about it. If you're a Facebook user, you can RSVP right on the event page by scanning the QR Code shown here.

Thank you all again for everything you do to make Darts for Dreams a success!!!! - Gary
