April 12th, 2008

Thank You!

On behalf of the Greater Trenton Dart League I want to welcome you to the 3rd annual Darts-for-Dreams charity dart-a-thon to benefit the Make-A-Wish Foundation[®] of New Jersey.

Thank you to our sponsors and donors for their financial support. Thank you to the staff at the Make-A-Wish Foundation[®] of New Jersey for their help and guidance running the event. Thank you to our friends and neighbors in the surrounding communities who continue to support our efforts on a yearly basis. Thank you to Bill Cobb and the rest of the Greater Trenton Dart League board who allow me to use the league as the mechanism to run such an event. Thank you to everyone who has helped in any and every way to make this event happen.

In 2006, our inaugural event, the Greater Trenton Dart League raised \$5768 dollars. We increased our total donation to \$8425 in 2007. The goal for 2008 is \$10,000 – let's hit our mark.

One last thanks – This one to the players of the Greater Trenton Dart League and everyone else who is in attendance today. Each and every one of you helps make this event a success. Please, take it personally,

THANK YOU!

Think unparalleled service on the street.

Think unexpected programs in the community.

**Think just any waste company has
the resources to do all that?**

Think Green.[®]

A

t Waste Management, we Think Green[®] in a big way. Green is the color of the over 30,000 Waste Management trucks that are on the road today. And as North America's leading waste services provider, we have the people and commitment to Think Green[®] in ways that go beyond routine collection.

It's why we gave the green light to our Service Machine, an intensive service improvement program. The result? An independent study ranked Waste Management tops in the industry for customer service.* It's also why we've implemented Neighborhood Watch programs, using our drivers helping to safeguard the homes and businesses on their routes.

So the next time you see one of our big, green trucks on the road, think what a company dedicated to total performance can do for you.

From everyday collection to environmental protection,
Think Green[®] Think Waste Management.
