

Last year we recycled
enough paper to save
over 41 million trees.

One leaf = One million trees

Now, what can we help you recycle?

With thousands of commercial and community recycling programs nationwide, the results are truly adding up – both from an environmental and an economic standpoint. But there is more work to be done. By 2020, we look to double the amount of material that we recycle. Won't you join us?

Make-A-Wish Foundation® of New Jersey

Tournament Director's Message

Welcome to the 6th annual Darts for Dreams dart-a-thon to benefit the Make-A-Wish® Foundation of New Jersey.

Like I have been every year, I am still amazed at what this event has become. Starting in 2006, with about 50 attendees and just over \$5,000 raised, to 2010, with about 100 attendees and over \$21,000 raised. I don't know if this year will be bigger, better, or have a higher attendance. I only know that regardless of how many people attend or how much is raised for MAWFNJ, the event will be a success. We will all have participated in helping the charity do what it does best — grant wishes for the kids in our area who have a life threatening illness.

I can only hope that the support of everyone involved continues. I can only hope that the volunteers, donors, sponsors and attendees continue to participate as they have in the past and will in the future. I can only hope that more of each type participate than the year before.

In saying that, I want to send the usual "Thank You's" to those in attendance today. Without you, the event wouldn't be a success, regardless of how many prizes and gifts we have to give away. Thanks to GTDL President Bill Cobb and the rest of the board. Thanks to the staff at MAWFNJ for their help in organizing and support for the event. Thanks to our sponsors and donors, volunteers, workers and helpers for everything you have done!

**So to everyone reading this —
THANK YOU!**
