

Announcing the ASL Open!

The 3rd addition to the ASL line up of events

This event will hold "Open" qualifiers to anyone interested in competing against the ASL top 16 in order of merit. We will host the event PDC World Championship Style. Sets and legs, single elimination. The top 16 ASL members will be seeded and we will run 4 qualifying events to fill the next 16. We will draw the brackets of qualifying members the day of the event. These will be long format events. Only 4 players will get in per qualifier. These qualifying events will be spread out as to attract our friends in NJ and NY and South of Philadelphia. The "ROCK" will accommodate North NJ as well as NY for both Greater Trenton Dart League and DPNY for one event. The Vineland Moose for all South Jersey players, O'Neil's in Center City for OEDL and DE players and one at Tacony Billiards for ASL and QCEDL. However this is open so you do not need to be from any particular league.

The Philly Legends event gives us the ability to host a Grand Slam format held every March.

The Ray Fischer Cup gives us the opportunity to play team League on League the second Saturday of every December.

The ASL Open will give us the opportunity to play PDC World Championship Style long format sets and legs darts amongst our peers. We are very excited to extend this event to all who choose to participate.

80% payout down to top 8
