

Darts for Dreams 9

May 3, 2014

Cook Athletic Association

What is a dart-a-thon you ask? Unlike a traditional tournament, here our are rules.

- **No set start time, the doors will open at noon, and we'll start shooting at 1 PM.**
- **Small donation at the door. We'll give out gift bags with whatever we can collect until we run out.**
- **There is no bracket or set matches.**
- **\$5 to shoot 51 darts for a high score. Each hour, the top men and women will win a cash prize.**
- **At the end of the top, the overall men and women scores will win a fancy trophy and some more cash.**
- **There is also a team category (4 people), and a youth category.**
- **Throughout the day, we'll have raffles, a 50/50 plus a great silent auction that usually has about 25-30 items.**
- **It's at a social club, so the drinks are cheap, the food is deep fried frozen stuff, and you play darts in a basketball court.**
- **You have to have fun. If you can't have fun when you play darts, this isn't the event for you.**
