***2014-2015***  
***GTDL/SPONSOR AGREEMENT***

## INSTRUCTIONS FOR COMPLETING THE GTDL AGREEMENT FORM

PLEASE REVIEW THE ENTIRE PACKET BEFORE AGREEING TO THE RULES AND AGENDA THAT HAVE BEEN ESTABLISHED FOR THE UPCOMING SEASON.

The GTDL email address for general correspondence is [board@trentondarts.com](mailto:board@trentondarts.com) and for specific issues, visit the contact page on the GTDL website (<http://trentondarts.com/php/contact.php>) to determine who should get your email.

Bar owners are only responsible for signing the bar sponsor form and working with their team captains are required to fill out the captain registration and initial team roster. Initial roster must be at least 6 players for established teams and 8 players for new teams.

If a bar is sponsoring more than one team then the bar owner must fill out an individual packet for each team sponsored.

By the player registration Luck of the Draw (September 4<sup>th</sup>, 2014 at Hamilton Lanes), sponsors should have

1. **Their sponsor paperwork completed.**
2. **Their captain's paperwork completed.**
3. **Their initial roster completed.**
4. **A check made out to "Greater Trenton Dart League" for \$150 for 1 team or \$275 for 2 teams.**
5. **Any player fees necessary for new teams in the league.**

**Checks may be mailed in or hand delivered by sponsor or captain at the GTDL Registration Luck of the Draw at Hamilton Lanes on September 4<sup>th</sup>, 2014.**

In lieu of hosting the registration luck of the draw at the GTDL League Champions host location, that teams sponsor fees for the next year will be waived. In the event that the overall League Champion and registration luck of the draw do coincide, the team fee will be reinstated.

A captains meeting will be held on **September 11, 2014 at UNO's Chicago Grill** to discuss the responsibilities of captains and clarification of rules for the upcoming season. This meeting is mandatory; if a captain cannot be present then a team member may be designated to attend in their place.

During the following week prior to the start of the season a member of the GTDL board may visit any bars for a site inspection to ensure playing areas are in compliance with league rules; any bars not in compliance will be notified and must satisfy recommendations as noted prior to the start of the season.

Thanks for your ongoing participation and support!

**Why do we collect email addresses?** The GTDL collects email addresses so we can directly communicate with players on issues in the league. This may include scheduling updates and cancellations, changes in venue, upcoming events, changes to the league website or facebook pages, survey or information requests or other information send by the board to the members of the league. **We do not sell or give away your email addresses and the list is restricted to only a few approved senders.**

### **2014-2015 Player Information and Registration**

Welcome to the 2014-2015 GTDL Season. Below you'll find the basic information you'll need to participate and be an informed and active member of the league.

#### Information for Sponsors:

- We realize that our partnership with our sponsors is critical to the success of the GTDL.
- All of our sponsors are listed on the GTDL website (General Information/Sponsors menu)
- Any sponsor with a special event coming up may submit that event to the webmaster ([webmaster@trentondarts.com](mailto:webmaster@trentondarts.com)) to be included in our events list. The events list is on the [trentondarts.com](http://trentondarts.com) home page (3 month view) as well as 6 month view from the Events and Activities Menu.

#### Our online presence:

- [www.trentondarts.com](http://www.trentondarts.com)
- [Facebook.com/GreaterTrentonDartLeague](https://www.facebook.com/GreaterTrentonDartLeague)
- [PhillyDarts.com](http://PhillyDarts.com) – Several members participate. Watch the message boards for regional luck of the draws and even qualifiers for larger tournaments.

#### Your information:

- One of the goals of the board of the GTDL is to get current, valid contact information for all players. We are currently about 75%.
- The purpose is so that we can alert all the players to upcoming events, news or a change of some kind. We realize that not everyone visits the website regularly, so this is another way to remind you to check.
- Players whose email addresses the league has are aware that all emails are blind copies, so others don't see your email address.
- We don't sell or give away your email addresses.
- All emails to the league players currently come from either John Tedder, John Lewandowski, Bill Cobb or Gary Yourman
- At the beginning of the season luck of the draw, and throughout the first few weeks, the board members and captains will be asked to help collect this information. Please be supportive and help them out. If you don't have contact with anyone in this group, please fill out the roster forms so we can collect the information that way.
