

# DARTS for DREAMS Thirteen

The 13th annual Greater Trenton Dart League Dart-a-thon  
Benefiting Make-A-Wish® New Jersey

Darter's Name \_\_\_\_\_

A wish gives children a chance to forget treatments and hospital stays as they plan their unique wish, anticipate it, experience it to the fullest, and then relive it through happy memories that will sustain them and their families through the days ahead. The wish experience includes the entire immediate family living in the home, so that they can share in the magic together. Make-A-Wish® New Jersey covers all costs associated with a wish, including airfare, hotel accommodations, and spending money so that the wish can unfold free of worry or stress.

**Thank you for your pledge and helping make New Jersey's children's dreams come true!**
