

GTDL Mr. Trenton Tournament

2025 Mr. Trenton Event Competing for the Conrad Daniels Trophy

This is an annual, best of 3 Chicago style (501/Cricket/301) tournament.

Designed to self manage – you'll get your next opponent and have three to four weeks to coordinate and play the match. This should be easy enough to do on Thursdays prior to regular league matches at one of the league bars. Winner moves on. When we get to the top 8, we'll play a best of 5 version (501 x2 / Cricket x2 / 301).

Number of Shooters: 42

Schedule:

1st Round Due: Feb 20th, 2025

2nd Round Due: March 20th, 2025

3rd Round Due: April 17th, 2025

Quarter, Semi, and Finals: June 5th, 2025

Match format: Best of 3. 501 is the first game, Cricket is the second game, 301 DI/DO is the 3rd game if necessary.

GTDL bull to start each leg. Loser of the previous game decides to throw first or second for cork. We will use GTDL rules. EVERY dart gets pulled. The dart either scores as OUT, SINGLE BULL or DOUBLE BULL. There is no measuring. If the two players are tied after the first two attempts, continue throwing until one player misses a bull. (Other player to start leg.) If both players miss on the first attempt, the first player to hit the bull begins the leg.

When complete, please email John Meade at president@trentondarts.com or text 609 792-3676 with the final results of the number of legs won.

It is YOUR responsibility to connect with the other player in your match to arrange to play. The matches should take no longer than 15-20 minutes and can be handled on most Thursdays before or after your match. If a match doesn't get played, BOTH players will forfeit, unless there is clear evidence and acknowledgement that one person is at fault. If you are having difficulty connecting, please use email to resolve the conflict. All players will receive an email with the list of players and contact information to help them set up matches.
