

Darts for Dreams

What is a dart-a-thon you ask?

Unlike a traditional tournament, here are our rules!!!

- Have fun, and help out a great charity!
- No set start time, the doors will open at noon, and we'll start shooting at 1 PM. Show up when it's good for you.
- Small donation at the door. We'll give out gift bags with whatever we can collect until we run out.
- There is no bracket or set matches.
- \$5 to shoot 51 darts for a high score. Each hour, the top men and women will win a cash prize.
- At the end of the event, the overall men and women scores will win a fancy trophy and some more cash.
- There is also a team category (4 people), and a youth category.
- Throughout the day, we'll have raffles, a 50/50 plus a great silent auction that usually has about 25-30 items.
- It's at a social club, so the drinks are cheap, the food is deep fried frozen stuff, and you play darts in a basketball court.
- Enjoy the day! If you can't have fun when you play darts, this isn't the event for you.

The best way to stay on top of things are to click the links below. You'll find info there on the specific event for the year.
